We're Launching a New Patient Portal

Aloha,

At Clinical Labs of Hawaii (CLH) we're committed to providing you with the best possible care. That includes making it easier for you to access, manage, and understand your lab results.

CLH is excited to announce in July 2026 we will be transitioning to a new and improved patient portal.

What to expect:

- Starting July 2026 our current portal (myClinicalLabs) will be replaced by our new portal (CLHMyLabs).
- You will receive an email invitation with instructions to create your new CLHMyLabs portal account.

Please complete your account setup promptly to ensure uninterrupted access to your health information.

Thank you for trusting us with your care. We look forward to enhancing your online experience.

Mahalo,
